and we get letters...

Dear Richie,
My name is Jessica. I started reading Harvey comics about a month ago, and I like them. Do you have any more outfits than the suit you always wear?
Jessica Bari, age 7
Willits, CA

Dear Jessica,
I have lots of different suits, Jessica, it's just that they all look the same! Having all my clothes look the same makes getting dressed easy in the morning—everything always matches! I do have one suit that's a bit different, and that's the space suit I wear every time I go up in the Rich rocket ship that Professor Keenbean designed! But underneath my space suit, Jessica, I always have on the same ol' suit I wear every day!
Your friend, Richie

Dear Casper,
I love your comics! I like you because you are always helpful and nice to people. I'm like that too. My friend Jennifer and I play with and help each other just like you and Wendy! I think it would be cool if you and Spooky met each other because you and Spooky are both ghosts.
Sincerely, Krista Butler, age 9
Freeport, NY

Dear Krista,
Since we both live in the Enchanted Forest, Krista, Spooky and I see each other all the time! (Look for our adventures together in our comic books and digests!) I'd like to see Spooky more often, but I have my hands full just trying to keep the Ghostly Trio out of trouble! Just last week I was on my way to visit Spooky when I caught the Ghostly Trio planning to scare Benny Bunny! The funny thing is, Krista, Pearl always says she'd like to visit me more often, but she always has her hands full trying to keep Spooky out of trouble!
Your friend, Casper

Dear Baby Huey,
My name is Stephen, and I am eight years old. My brother's name is Huey also! He usually says "duh" a lot too! I think you are very funny. I like to read your comics. I have at least five or six of your comics! Do you always drink 10 gallons of milk? That is a lot of milk! My brother only drinks 4 inches!
Your pal, Stephen Schrider
Severn, MD

Dear Stephen,
I don't always drink 10 gallons of milk, Stephen, sometimes I drink 20 or 30 gallons—and that's just at breakfast! Yesterday the grocery market didn't have any milk, so I went to Farmer George's farm to get some! I visited with Bluebell, Mabel and all the other milk cows on the farm, but afterwards Farmer George was very angry with me! I don't know why he was so mad, Stephen! His cows were much too fat when I first saw them, and now they're nice and skinny!
Your Pal, Baby Huey

Dear Little Lotta,
I have just started to read your comics. One time while I was reading I lost my place because the phone rang. When I came back I saw the letters page. That's when I thought that I could write to you. I have some questions for you. How come you are so strong? Do you practice?
Your new good friend, Margarita Kling
Fairbanks, AK

Dear Margarita,
I never practice being strong, Margarita, it just happens! Ever since I was a little baby, I've been very strong! My dad always tells people how strong I was when I was one year old! He said there was one time that I couldn't reach a ball that had rolled under our couch—so I lifted the couch up to get the ball! I don't know why my dad was so impressed, Margarita! After all, a couch isn't that heavy!
Your friend, Little Lotta

Dear Hot Stuff,
I really like your comic books. My favorite ones are your Holiday Special and Hot Stuff Giant Size. I sure wish I had a trident like yours. I could use it to get some people who bother me at school.
Your best friend, Joe McShane
New Sharon, ME

Dear Joe,
My trusty fork has gotten me out of a lot of trouble, Joe, especially when the ogres try to bother me! The only problem is that my fork sometimes gets me into trouble! The other day I ran into some lava trolls on my way to visit Princess Charma, but when I tried to use my fork on them it just made them hotter! And to make things worse, Joe, Princess Charma was hot at me too because I was late for our date!
Your pal Hot Stuff
